

# FIBERGLASS PULLING ROD SYSTEMS

## P.O.P. (Point of Purchase) Displays - KENA-Rod™, KENA-Rod II™ and MOON-GLOW™

### Features

- Sure way to let your customers know you carry Kena.
- Statistics show that product visibility is key to impulse sales.
- Extremely easy to set up and put in place.
- Display holds twelve KENA-Rod™ Kits.
- Display is fabricated from rugged corrugated cardboard.
- Display and products ship in two freight-allowed UPS packages.
- Takes up very little floor space (Dimensions are: 12" x 12" x 42")
- Choice of nine different product combinations.
- Replenish your display at the same low price you paid for the initial display.
